

Ordering your engraved brick

Please consider carefully what you would like engraved on your brick keeping the following guidelines in mind:

- Each brick is approximately 4" x 8" and may contain either a one-line or two-line message.* The FOELPL Board of Directors reserve the right to approve all inscriptions.
- Each line may contain up to 21 characters (including letters, spaces and punctuation) although 18 is recommended for the best presentation.
- You may choose all capital letters; all lower-case letters; or a combination of both. If you want all capital letters, we suggest that you limit the number of characters to 18 so that the line does not appear crowded.
- *Symbols: There are 4 symbols available at an additional cost of \$5 each, and if selected will take up the second line of the brick. If desired, indicate which symbol you would like on the second line.

- Bricks are installed as weather allows.

The tax-deductible donation for each brick is \$75, plus \$5 for a symbol.
Please make your check payable to FOELPL and bring it with your completed order form below to the library, or mail them to:
